S I R:

DIRECTOR

SECOND REQUEST FOR EXTENSION OF TIME FOR
TWO WEEKS

Applicant, through his counsel, respectfully requests a further extension of time of two weeks to respond to the Office Action, presently due December 7, 1979, time to be extended to December 21, 1979, for the following reason.

As indicated in the prior Request, counsel was awaiting instructions from applicant.

Counsel has just carried out an extensive interview with applicant, and as a result has obtained prolific information which counsel must now incorporate into an amendment.

Insufficient time remains in counsel's opinion to prepare the amendment and have it timely filed by the current due date and, under the circumstances, counsel, in an excess of caution, respectfully requests a two week extension of time to December 21, 1979 so that the information can be incorporated into the amendment and the amendment timely filed within the extension period.

Serial No. 922,799

This request is not made for purposes of delay
but in order to protect applicant's rights.

Respectfully submitted,
